

### About us

Goski Terry Towels is a dynamic company that began producing Terry Towels in 1997 and entered the everlasting world of international business in 2004.

Our business partners are mainly importers of household textiles, purchasing agencies and home textile manufacturers from European countries, with whom we have been strengthening our tradeties since 2004.

We are firmly committed to maintaining long-term cooperation with our valued customers through our quality products, timely delivery and prompt service.

Well trained employees are our most important assets to achieve customer satisfaction and value for money.

We manufacture exclusively according to customer requirements and we deliver what we commit.
