

G J Home Collections was established in the year 2002, over 18 years of good experience in the production & gradually growing with our innovative ideas & principles brought newness in Design, Style & uncompromising Quality at a highly competitive price & established the company as a pioneer destination for a wide range of Home Furnishings including cotton-based home furnishings in Yarn Dyed / Solid Dyed / Printed categories. We also manufacture Linen, Polyester, Viscose, etc

We have at last managed to secure a good supply of organic fabrics complete with certifications. We have started moving towards offering all our clients more & more GOTS certified products to our customers. Global Organic Textile Standard (GOTS) is the worldwide leading textile processing standard for organic fibers, from the raw materials to the final product. In order to get the certification for a product, every step of the supply chain must be certified & we are in the process of doing that.

Today, our a comprehensive range of machine-made home textiles includes woven fabrics, embroidered Linen, prints, jacquards, checks, stripes, dobby design that are crafted into a variety of products catering customers in Greece, Sweden, France, UK, Italy, Denmark, USA, and Canada.

Our recent focus is on organic products & high-value products such as mercerized and gassed mercerized products & special finish like Silicon Wash, Bio Wash, Water Repellant, Stain Resistance, Oil Repellent, Soil Repellent, Wrinkle-free Finish, Fire Retardant, Anti Microbial, UV Absorber, Enzyme Wash, Water Absorbency, Fragrance Finish, & Stone Wash.

We are doing special promo products like Kitchen Towels, Cotton Bags, Jute Bags, Hand Bags.
