From Government of India (FIEO)

"Niryat Shree" Award for Excellence in Export Performance for the year 2003-04.

About Us

Established in 1990, Lahoti Overseas has been exporting cotton yarns from India to all over the world. Today, we cover a wide spectrum of fabrics & yarns from coarse and fine counts to ply and special yarns. We now even offer yarns made of Viscose, Polyester, Polyester DTY, Linen, PVA, Blended Yarns and more. Lahoti Group boasts of having more than 100,000 spindles under its commission. We are known for our keen eye on production and quality control.

Our vision is to be the one stop shop for the highest quality yarns of all kinds, catering to each and every requirement of customers from all over the world. We have constantly strived to provide nothing but the best quality yarns and fabrics, and a memorable customer service experience.

We currently have our presence firmly established in India, Bangladesh, China, Portugal and Egypt to name a few. Our customers trust us and have built a lasting and fruitful relationship with us over the years.

Our History

Although we set foot in the international market 25 years ago, we come from a long and illustrious lineage of local textile trading that goes as far back as 150 years.

- | | |
|------|-----------------------------------------------------------------------------------------------------------------|
| 1990 | Established ourselves as a cotton yarn exporting firm |
| 1995 | Became a Public Listed Company. We also won the Highest Export Performance in Cotton Yarns Award. |
| 2000 | Expanded our portfolio to include fabrics, polyester, viscose, DTY and dyed yarns. |
| 2015 | Successfully implemented the idea of commissioning spinners to have complete control on quality and production. |

Our Range Of Yarns

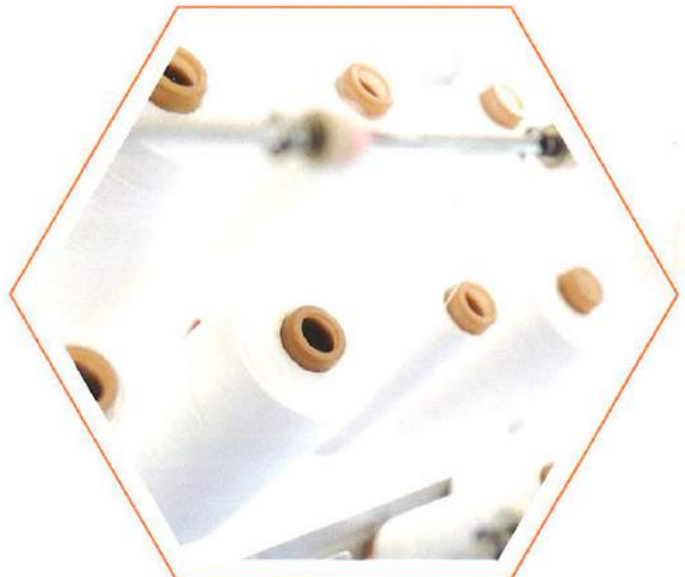

We have been manufacturing finest quality cotton yarn since 1990 & have reached across the borders of many nations around the globe.

100% Cotton Yarns

Type Of Yarn	Count Range	Type
Compact Spun Yarn	Ne 20/1 to Ne 120/1	Single / Multifold / Slub
Combed Ring Spun Yarn	Ne 12/1 to Ne 100/1	Single / Multifold / Slub
Carded Ring Spun Yarn	Ne 6/1 to Ne 40/1	Single / Multifold / Slub
Open End Yarns	Ne 6/1 to Ne 24/1	Single / Multifold / Slub
Speciality Cotton Yarns (Gassed & Mercerized)	Ne 20/1 to 100/1. 2 Ply also Possible	Single / Multifold / Slub

Blended Yarns

Type Of Yarn	Count Range	Blend	Blend%	Type
Carded Ring Yarn	Ne 10/1 to Ne 40/1	PV, PC, CVC, Cotton /	52-48, 50-50, 65-35,	Single / Multifold /
		Viscose, Cotton /	60-40, 80-20	Slub
		Spandex		
Combed Ring Yarn	Ne 12/1 to Ne 40/1	PV, PC, CVC, Cotton /	52-48, 50-50, 65-35,	Single / Multifold /
		Viscose, Cotton /	60-40, 80-20	Slub
		Spandex		

Synthetic Ring Spun Yarn

Type Of Yarn	Count Range	Type
100% Polyester	Ne 20/1 to 40/1	Single / Multifold / Slub
100% Viscose/Rayon	Ne 20/1 to Ne 40/1	Single / Multifold / Slub

Filament And Texturized Yarns

Type Of Yarn	Count Range	Type
Poylester Texturized Yarns (DTY)	75D to 600D in various lusters- Semi Dull, Full Dull, Bright and Dope Dyed.	Single / Multifold / Dyed
FDY	75D to 400D in various lusters- Semi Dull, Full Dull, Bright and Dope Dyed.	Single / Multifold / Dyed
FDY	50D to 700D in various lusters- Semi Dull, Full Dull, Bright and Dope Dyed.	Single / Multifold / Dyed

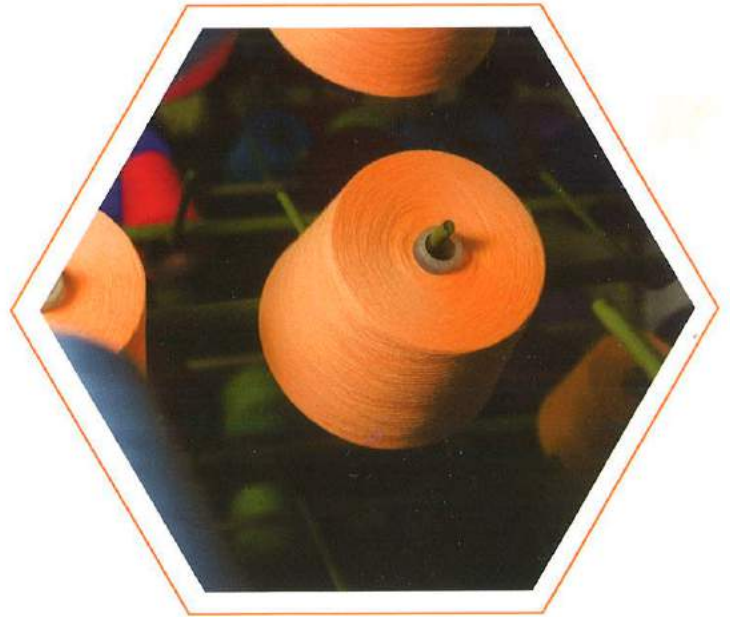

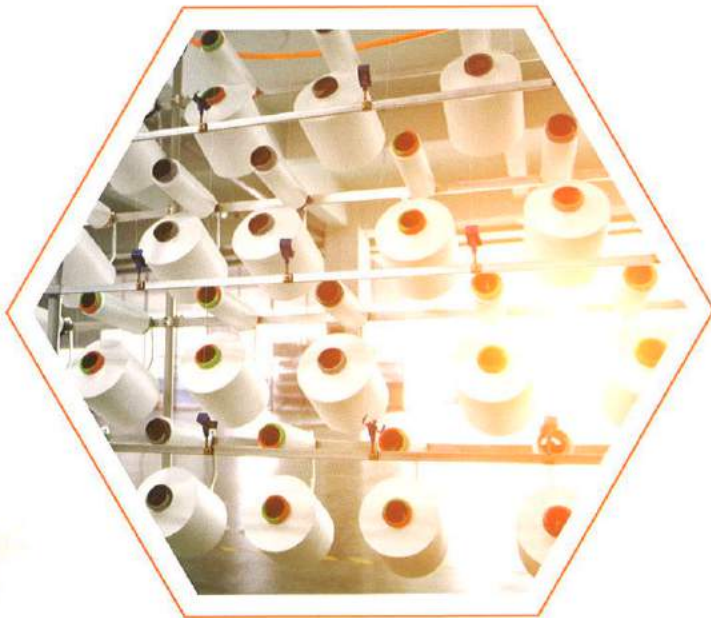

Dyed & Melange Yarns

Type Of Yarn	Count Range	Type
Melange Yarns in 100% Cotton & blends of Viscose/ Polyester/ Acrylic/ Modal	Ne 20/1 to Ne 40/1 Combed, Carded & Compact	Single / Multifold
Dyed Yarns	Ne 20/1 to Ne 40/1 Combed, Carded & Compact	Single / Multifold

Core Spun Yarn

Type Of Yarn	Count Range	Type
Cotton Yarn with Spandex	Ne 20/1 to Ne 40/1 in various Denier Spandex (Carded & Combed)	Single / Slub

Fabrics

We supply a variety of cotton yarns, flex yarns, melange yarns as well as synthetic yarns that cater to your different needs.

Quality Management System

At Lahoti Overseas Ltd, each and every shipment is inspected by our technically qualified QC person as per a buyer's quality specification.

We have developed our own ERP system to approve the quality on the basis of pre-entered specifications as per buyer requirements and market standards.

For our yarns, we follow Uster 5% Norms, 25% Norms & 50% Norms depending upon the buyer's specifications.

We undertake various knitting and dyeing trials to ensure quality, defect free fabric and uniform dyeing appearance.

Our professional technical team uses only the latest testing instruments i.e. UT6, UTR4, UTJ4, Uster Classimat 5, for all yarn tests.

For our fabrics, we use the American 4-Point Inspection System for fabric defect analysis.

We regularly test our fabrics and yarns with BTRA, SITRA, ATIRA & NITRA for confirmation about supplier end testing results.

Additionally, we regularly update our manufacturing machines and testing instruments for continual improvements in quality and production.

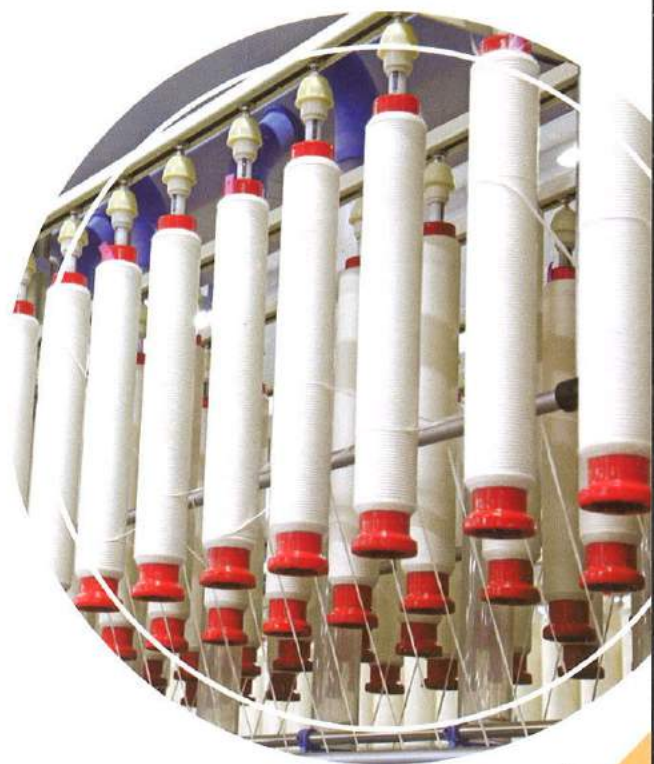

Our QC team verifies the following key areas while inspecting yarns and fabrics:

A. YARN

1. Raw Cotton technical details.
2. Spinning process parameters.
3. Machine set up and channelization.
4. 10% random sampling from ready material for inspection.
5. Shipping marks and lot details.
6. Actual Net Weight of material.
7. Checking package faults, spinning faults and yarn faults.

B. FABRIC

1. Supplied yarn technical details.
2. Weaving process parameters.
3. Loom set up and channelization.
4. 10% sampling from ready material for inspection.
5. Shipping marks and lot details.
6. Net Weight of material.
7. Checking package faults, weaving faults and yarn faults.

Spinning our legacy all over the globe

"Quality is the result of high intention, sincere effort, intelligent direction and skillful execution. It represents the best choices of many alternatives."
