BEDSHEETS**

# ABOUT US

About 3 decades ago Mr. Sunil Jain started a small grey fabric making unit in a small town in sadhana, which slowly expanded into a bigger unit and now we are one of the leading manufactures in the city.

We have a integrated infrastructure from inhouse grey fabric production to finishing of the processed fabric. We deliver high quality and innovative designs and we work very hard to maintain the some through would class customer services and a thirst for excellence.
